Highlight from October - Ice Karting

Almost everyone agreed, this time we did the Ice Karting, it was better than ever.

Here's a couple of the really good photos.

George and Paul battle it out on the corner!

Once again the women came good!

and Sally proved to be a little demon behind the wheel!

even though she could hardly reach the peddles!

Here's everyone celebrating at the end!

Feedback from the event was excellent. One of the people taking place said "Even more fun than I expected".

For those of you interested we will be running this again next Spring.

New Events!

I've had a number of event suggestions recently and am

looking to schedule them early in 2005. If there is anything you would particular like to take part in with Action Scene and we will investigate.

Action Scene Christmas Vouchers
